I use textiles as my medium of choice to express myself, to respond to thoughts, emotions and occurrences. Fabric is tactile and elicits a direct response.

## JENNY ARMOUR

Er yn bennaf haniaethol, mae fy ngwaith hefyd yn gynrychioliadol o Fôn a gogledd Cymru. Dw i wrth fy modd gyda'r goleuni, yr awyr eang a'r môr a dw i'n gobeithio fy mod i'n adlewyrchu hyn yn fy mhaentiadau boed nhw'n fawr neu fach. Mae fy ngwaith yn esblygu o un flwyddyn i'r llall a dw i'n cael cymaint o hwyl.

Whilst primarily abstract, my work is also representational of Anglesey and North Wales. I love the light, big sky and sea and I hope I reflect this in my paintings whether large or small. My work is evolving year on year and I do have so much fun.

My two loves of glass and the sea led me to pairing beach glass with silver, creating unique pieces of jewellery for every occasion. I have two collections: Beach uses collected sea tumbled beach glass and Fusion is specialist glass that I kiln fire.

ORIEL MÔN

# Môr a Mynydd Sea and Mountains

**Rob Piercy**

**10.03.18 – 22.04.18**

Mae'r casgliad hwn o waith yn ddathliad o dirweddau amrywiol a drammatig gogledd-orllewin Cymru, sy'n adlewyrchu angerdd yr arlunydd am natur ym mhob un o'i wahanol ffurfiau. Er mai'r mynyddoedd yw ei brif ysbrydoliaeth, mae grym ac egnl llym stormyda yr hydref wedi cyflwyno'r arlunydd i ffynhonnell arall o ysbrydoliaeth, sef y môr.

A celebration of the diverse and dramatic landscape of north west Wales displayed in this collection of work which reflects the artist's passion for nature in all its varied forms. Although he primarily gains his inspiration from the mountain environment the power and raw energy of the autumn storms has introduced him to another dramatic inspirational source, that of the sea.
